“ONE HOUR TO MIDNIGHT”

AT QUADRUM

31 December, 8:00 PM

New Year’s Eve at Quadrum is an evening of understated theatrical elegance. The celebration begins on the red carpet, accompanied by the graceful notes of a grand piano. Each guest will be welcomed with a glass of champagne, while a professional photographer captures the memorable occasion in a specially styled photo area.

For one night, Quadrum will transform into the stage of a theatre, bathed in soft, warm light and adorned with crystal, white porcelain and silver. The festive dinner will be accompanied by an interactive programme featuring performers of original genres: a magician in the guise of a hotel porter, a ballet of maids, the conceptual performance “Balancing on Knives” and a musical performance by the “Singing Chefs”. A cover band and DJ will set the mood throughout the evening.
The celebration will culminate in a prize draw featuring gifts from the hotel.
