“THE KEY TO MIDNIGHT”

AT SILK LOUNGE

31 December, 8:00 PM

New Year’s Eve at Silk Lounge unfolds in the warmth of a grand family living room, filled with the anticipation of midnight.

Guests will enjoy an engaging entertainment programme, with a charismatic host, mime artist, ballerinas, a magician and other performers bringing the celebration to life. A photographer will capture moments to remember. The musical accompaniment will be provided by a cover trio, with New Year’s classics performed on keys and saxophone, accompanied by the captivating vocals of the lead singer.

For our younger guests, a creative workshop and entertainment by animators dressed as Malvina and Buratino – beloved characters from a popular Russian fairy tale, will add to the festivities.
